Day-by-day itinerary

DAY 1

Bishkek, arrival

We arrive in Bishkek early in the morning and head straight to our hotel to freshen up and enjoy a short rest after the flight. After breakfast, our journey through Central Asia truly begins. Leaving the city behind, we drive about 45 km south into the mountains to visit the stunning Ala-Archa Gorge, one of Kyrgyzstan's most beautiful national parks. Nestled in the foothills of the Tien Shan Mountains, Ala-Archa is a perfect introduction to the country's wild nature — crisp mountain air, fast-flowing rivers, pine forests, and dramatic snow-capped peaks all around us. Here we enjoy a gentle walk along mountain trails, taking in the scenery, breathing in the fresh alpine air, and easing into the rhythm of the journey. It's a peaceful and refreshing start, allowing us to connect with nature without rushing.

In the afternoon, we return to Bishkek and set out to discover the city's main highlights. We explore the spacious Ala-Too Square, watch the changing of the guard at the National Flagstaff, and see key monuments dedicated to Lenin, Freedom, and Manas the Great — the legendary hero of the Kyrgyz people. The evening is free to relax after a long first day. Overnight in Bishkek.

DAY 2

Bishkek

After breakfast at the hotel, we meet our local guide and leave Bishkek for a short drive into the countryside. Our destination is the Burana Tower — an impressive 11th-century minaret and one of the very few surviving landmarks of the ancient city of Balasagun, once an important stop on the Silk Road. We walk around the open-air archaeological area surrounding the tower, where stone balbals (ancient Turkic grave markers) and scattered ruins give a tangible sense of the region's deep and layered history. The site feels quiet and open, allowing us to imagine life here centuries ago. Nearby, we stop at a local family home for lunch. We are welcomed with warm hospitality and enjoy a traditional home-cooked meal, offering a genuine taste of Kyrgyz cuisine and everyday life.

After lunch, we witness a truly distinctive cultural experience — Kok-Boru, the Kyrgyz national horseback game. Often compared to Buzkashi, this traditional sport involves riders competing to carry and score with a goat or sheep carcass. It demands remarkable strength, balance, and riding skill, and watching it up close offers a powerful insight into Kyrgyz nomadic traditions that are still very much alive today. In the afternoon, we return to Bishkek and head back to the hotel to relax. Overnight in Bishkek.

DAY 3

Bishkek – Kochkor village – Naryn by road

After breakfast, we leave Bishkek and begin our journey toward Naryn, a remote mountain town set high in the heart of Kyrgyzstan. The road gradually climbs into wide valleys and open highland landscapes, giving us a sense of how quickly the country shifts from city life to vast, rugged terrain. Along the way, we stop in the village of Kochkor, well known as the country's center of traditional felt making. Here we visit a local workshop and take part in a hands-on masterclass, where we learn how shyrdaks — traditional felt rugs — are created. From washing and layering the wool to shaping the final patterns, the process is entirely handmade and deeply rooted in everyday nomadic life.

After lunch, we continue our drive into the mountains. By evening, we arrive in Naryn, a quiet town located at an altitude of over 2,000 meters above sea level. Surrounded by dramatic mountain scenery and wide-open spaces, Naryn feels far removed from the bustle of the lowlands.
We check in at our hotel and enjoy a well-earned rest after a day on the road.
Overnight in Naryn.

DAY 4

Naryn, day trip to Tash-Rabat caravanserai

After breakfast, we set off on a day trip to one of Kyrgyzstan's hidden treasures — the Tash-Rabat Caravanserai, a well-preserved stone fortress that once sheltered Silk Road traders, travelers, and their caravans.

Surrounded by high mountains and wild meadows, this 15th-century caravanserai stands as a silent witness to centuries of trade and adventure. We explore its cool stone chambers and learn how merchants once rested here after crossing the high passes from China. After a picnic-style lunch in the fresh mountain air, we return to Naryn for the evening. Overnight at the hotel.

DAY 5

Naryn – Bokonbaevo village – Tamga (Issyk-Kul)

After breakfast, we continue our journey along the southern shore of Issyk-Kul Lake, one of the largest alpine lakes in the world. The scenery changes from wide valleys to mountain ridges that seem to touch the sky. Our first stop is the village of Bokonbaevo, where we meet local eagle hunters — the proud keepers of a centuries-old Kyrgyz tradition. We watch a falconry demonstration and learn how these majestic birds are trained to hunt in the wild. We enjoy lunch en route, experiencing the warm hospitality of the Kyrgyz people.

Next, we visit the fascinating Fairytale Canyon (Skazka) — a magical place where colorful clay formations have been shaped by wind and time into towers, castles, and dragons. It truly feels like stepping into another world! By evening, we arrive in Tamga village, located near the lakeshore. We stay overnight in a yurt camp (twin yurts with private en-suite bathrooms) and enjoy dinner.

DAY 6

Tamga – Djety-Oguz gorge – Karakol

After breakfast, we take a short drive with our guide to explore the stunning Djety-Oguz Gorge, whose name means “Seven Bulls.” The gorge gets its name from seven striking red cliffs of sandstone that rise like giant guards over the valley. The contrast of the crimson rocks against the dark green Tien Shan spruce forests is simply breathtaking.
We enjoy an easy hike along the winding mountain river, listening to the sound of rushing water and birds echoing through the gorge — a perfect moment to connect with nature.
Afterward, we continue to Karakol, a cozy town at the eastern edge of Issyk-Kul.

Upon arrival, we visit its main highlights: the colorful Dungan Mosque, built entirely of wood without a single nail, and the Russian Orthodox Cathedral, famous for its carved details and peaceful atmosphere. We also stop by the Przhevalsky Museum, dedicated to the Russian explorer who mapped much of Central Asia. Evening at leisure and overnight at the hotel.

On the way, we stop to explore the spectacular Charyn Canyon, one of Central Asia’s most impressive natural wonders. Often called the “Grand Canyon’s little brother,” it stretches for about 150 km, with cliffs rising up to 300 meters high. The most famous part, the Valley of Castles, features dramatic rock formations that look as if they were carved by ancient architects.

We take a leisurely walk through the canyon, surrounded by colorful stone walls glowing red and orange in the sun — it’s a truly unforgettable landscape.
